## 6. Target Market

Avalon funeral plans can be purchased by anyone over the age of 18. Avalon plans are intended for residents of the UK, Spain, Portugal and Cyprus who want to prepay for a funeral and put in place an agreed set of products and services as described in the Plan Certificate and delivered by an Avalon appointed Funeral Director at the time of need.

The Standard Plan provides for the essential products and services provided directly by the Funeral Director plus an allowance towards Disbursement costs.

## 7. Eligibility

You must be aged 18 or over from the start date of your plan. If you are paying by instalments, you must have made all payments before your 80th birthday.

When you make an application for the Standard Plan we will not ask you health questions and we don't require you to undergo a medical examination. Should you disclose a life limiting medical condition during your application we may ask you for more detail to establish Standard Plan suitability under your specific circumstances.

To enact the Standard Plan at the time of need you will have either paid your plan in full or qualify for the plan products and services under the terms of the Moratorium Period. See section 8.3.

## 8. Costs and Payment

### 8.1 How much will my Standard Plan (UK) cost?

We have laid out below examples of the instalment terms available and the total payable for the plan when the instalment charges are included in the total cost. We will provide an exact cost breakdown dependent on the deposit and terms for each individual.

Plan Name	Full Payment Price	Deposit	Term in Years	Monthly Premium	Total Payable	Instalment Cost
Standard Plan (UK)	£3,745	£100	N/A	N/A	£3,745	N/A
	£3,745	£100	1	£303.75	£3,745	£0
	£3,745	£100	2	£167.67	£4,124.08	£379.08
	£3,745	£100	5	£76.55	£4,692.70	£947.70
	£3,745	£100	10	£46.17	£5,640.40	£1,895.40
	£3,745	£100	15	£36.05	£6,588.10	£2,843.10

The total payable for the plan covers the essential elements of the funeral provided by the appointed Funeral Director as detailed in these Terms and Conditions and described on the Plan Certificate. You secure these products and services at the price agreed today and if these services increase in the future, your plan secures them at no extra cost to you or your representatives providing the funeral is carried out by an Avalon appointed Funeral Director.

### 8.2 How do I pay for my Standard Plan (UK)?

You can pay for your plan in one of three ways:

1. In full with a lump sum payment by direct bank transfer, credit/debit card or cheque
2. In instalments within 12 months by direct debit or standing order
3. In monthly instalments over more than 12 months by direct debit or standing order, with an additional monthly instalment charge of 5.2%

The instalment charge is a fixed annual fee added to the balance owed at the start of your plan. The annual instalment charge is calculated as 5.2% of the full payment price of the plan less any deposit paid. This is then multiplied by the number of years of instalments. The total amount is added to the retail cost of the plan less any deposit paid and divided by the number of instalments to give the monthly instalment.

#### 8.2.1 Payment in full

If you pay in full you will be fully covered from the day we receive your payment. All services detailed in these Terms and Conditions will be provided at the time of need.

#### 8.2.2 Instalments within 12 months

If you pay by instalments within 12 months a deposit will be paid at the outset and the remaining balance will be split over the term. The monthly instalments will be paid by Direct Debit or Standing Order and no instalment charges apply.

We will not provide any of the products and services during the 12 month moratorium period unless your death is the direct result of a covered accident.

Should the plan holder's death occur within the instalment period from any other cause, the plan holder's family or Representative must pay the full outstanding balance of the Standard Plan to be able to use the plan.

Should your Representative choose not to use your plan under these circumstances they can cancel your plan and receive a full refund.

Your Standard Plan will provide the products and services detailed on the Plan Certificate once the plan has been paid in full.

### 8.2.3 Instalments over more than 12 months

If you are paying for your plan by instalments over a term of 12 months or more, you will pay a deposit to set up your plan, this is a minimum of £60 but you can contribute more if you want to.

An instalment charge of 5.2% per annum applies and is included in each monthly instalment for the duration of the payment term. You will pay the instalments (including instalment charge of 5.2% per year) by a monthly Direct Debit or Standing Order.

We will not provide any of the products and services during the 12 month moratorium period unless your death is the direct result of a covered accident. Should the plan holder's death occur within the instalment period from any other cause the plan holder's family or Nominated Representative must pay the full outstanding balance for the full benefits of the Standard Plan to be provided. Should the plan holder's death occur after the moratorium period and within the instalment period, the full benefits of the Standard Plan will be provided by Avalon without asking the family or Representative to pay the outstanding balance.

### 8.3 Moratorium period for plans purchased in instalments "The Avalon Promise"

For plans purchased over instalments you will not be covered for anything under the plan if you die within the first 12 months, 'the moratorium period', unless your death is due to a covered accident.

If you are aged between 18 and 77 years of age you can choose to pay for the Standard Plan by instalments over a payment term of 2 or more years. Your age will determine how long you can have instalments over and in all cases the final instalment must be paid before your 80th birthday. As an example, if you were 76 years old, you could not pay over a 5-year term but you could pay over a 3-year term because all payments will be made before you turn 80 years old.

Your plan will be unconditionally provided upon your death after the moratorium period or if you die within the moratorium period as the result of a covered accident.

A covered accident means a sudden and unexpected violent event outside of the plan holder's control and not linked to any illness or disease that leads directly to the death of the plan holder. For the avoidance of doubt, an accident does not include death through the ingestion of drugs (prescribed or otherwise), deliberate recklessness, or incidents where you are acting in an illegal way (such as drink-driving).

If you are paying for your plan over an instalment term of more than 12 months and should die after 12 months during the instalment term, Avalon will provide all of the products and services included in the Standard Plan. We will not request the outstanding balance of the plan from your Nominated Representative (or a Next of Kin).

The Funeral Director will however request payment directly from your Nominated Representative (or a Next of Kin) for any extra items not covered by the Terms and Conditions of your plan.

Should your Nominated Representative choose not to use your plan under these circumstances they can cancel your plan and receive a refund of all monies paid into the plan, less a £395 cancellation fee.

Should the plan holder's death occur within the 12-month moratorium period from any other cause, the plan holder's Nominated Representative (or Next of Kin) must pay the full outstanding balance in order to use the plan. Should your Representative choose not to use your plan under these circumstances they can cancel your plan and receive a full refund.

### 8.4 Instalment Dates

We will collect instalments monthly by Direct Debit. You can choose a payment date of the 1st, 8th, 15th or 22nd day of the month. Your plan instalments will be collected on the same day each month. If this payment date is on a weekend or on a UK public holiday, we will collect the instalment on the next available working day. If you choose to make your payments with a Standing Order this will be on a day of your choice.

## 8.5 Disbursement Allowance/contribution

The Standard Plan includes within a total retail price of up to £1,000 Disbursement Allowance that is used to pay towards the disbursement fees associated with the funeral. We use this allowance to pay for or pay towards the following selected Disbursement costs not covered under the appointed Funeral Director services in the terms of your plan.

These Disbursement costs are the cremation fee or burial fee for the preparation, opening and closing an existing burial plot, Doctor's fee for the provision of the medical certificate (for cremation in England, Wales, and Northern Ireland), and the Minister or Celebrant fee to perform the funeral service on the day of the funeral.

The value of the Disbursement Allowance included in the Standard Plan increases in line with the Consumer Price Index (CPI) on the 1st July each year regardless of when the plan was purchased.

In the event of a cremation and the Disbursements Allowance does not meet all of the costs following the plan holder's funeral, any outstanding sum will be requested from the Nominated Representative and should be paid in full within 30 days of the balance being requested. For a burial We pay the full allowance to the funeral director to put towards any third party costs, however if this should fall short, the difference should be paid directly to the funeral director.

## 8.6 Additional extras and contributions

The Standard Plan can include additional products and services that the plan holder will have paid for in full, or covered in the instalments over the term of the plan. Any payments made into your plan for additional extras and contributions will increase in line with the Consumer Price Index (CPI) on the 1st July each year regardless of when the plan was purchased. The optional extras will either be guaranteed or contributions towards the costs dependent on the product or service.

## 8.7 Special requests

You can also list Special Requests in your plan that will be retained with your plan documents and passed onto the Funeral Director at the time of your funeral. Special Requests include personal preferences for the day of the funeral such as:

- Dress code (colourful clothes, formal wear)
- Songs, hymns, readings for the service
- Flowers or charitable donations
- Alternative coffin to the one provided with the plan
- Specialist hearse or transport (such as a horse drawn carriage)
- Procession for the funeral cortège other than a direct route

If your Special Requests incur a cost these will have to be paid for by your Nominated Representative at time of need as they may not be covered by the Disbursement Allowance included in your plan.

## 8.8 Missed instalment payments

It is important that you contact us as soon as you encounter difficulties with the instalment payments. We understand that sometimes a payment could be inadvertently missed and to accommodate this occurrence we will allow you to miss a monthly payment without losing the full benefits of the plan.

If you miss a direct debit, we will attempt to collect your missed payment within 14 days unless you call us and pay by an alternative method. We will write to you enclosing a statement of your account and advising you that your payments have not been made.

We will cancel your plan if you miss 2 consecutive monthly payments and do not rectify the missing payments within 10 working days of us requesting the payment.

If you elect to discontinue with your instalment payments or we cannot contact you to rectify the issue, we will cancel your plan and return the monies paid less our cancellation fee of £395, unless you are in the moratorium period where there will be no fee.

We will return the amounts due to the same account we received your payments from and there is no obligation for us to fulfil your plan.

If we cannot refund the monies to the account that we hold details for we will hold the monies paid into your plan in the Trust until the point at which we can refund this to you, or pay it to your appointed Funeral Director as a contribution towards their fees or to your Nominated Representative. In either instance, there is no obligation by us to fulfil your plan.

## 8.9 Additional Payments

You can make one-off or regular additional payments into any instalment plan at any time to reduce your balance or pay the plan in full.

If you do this, you will then have two options; you can reduce the number of instalments left to pay, or carry on paying over the same number of instalments and we will reduce the monthly premium to reflect the lower balance.

If your plan is paid in full then all future charges for paying by instalment will be waived from the next instalment date.

You can request a Conversion Statement at any time to show your outstanding balance.

## 8.10 The price of a funeral

The UK Standard Funeral Plan price of 3,745 GBP compares to the current average price of an 'at need' funeral price should you require a similar funeral today.

At time of sale, Avalon will allocate your plan to a specific Funeral Director(s) and have negotiated a wholesale price for the costs of provision of your funeral. These wholesale costs to Avalon vary, for example, by region and plan type but on average are for this plan are 2,439 GBP + annual uplift for inflation at today's prices.

Unlike the plan price you pay which is fixed, the at need price today is likely to rise with inflation each year until you need a funeral. These wholesale costs to Avalon are also uplifted for inflation each year.

Plan Name	Current retail price	Average wholesale price	Max. Certified Amount received by Avalon from the Trust (per plan) for setting up and managing your plan over its lifetime
Standard	3,745 GBP	2,439 + annual uplift for inflation	1,217 GBP

## 8.11 Trusts

The Avalon Funeral Trust No 3 has been established by a written instrument and is governed by trust laws. The Financial Services and Markets Act 2000 sets out the legislation that applies to funeral plans and you can be assured that Avalon's plans and Trust Fund comply with the legislation.

We retain a maximum of 1,217 GBP from the price paid by you for your Plan to cover our expenses and to provide for the administrative costs of running the business for the life of each Plan. The balance is placed and safeguarded in an independent UK Trust fund and held in order to pay the Appointed Funeral Director and other costs of the agreed funeral.

The amount Avalon receive can vary but is subject to the maximum amounts per plan and subject to the FCA funding rules. These maximums are the amounts certified by the actuary to ensure we always have sufficient funds retained on trust to provide the funeral services at time of need. This is not a fee or a charge to you and any amount you pay to us is fully refundable, subject to the cancellation terms of your plan.

Subject to professional advice and guidelines and the Trust being over 10% in surplus, Avalon may receive additional amounts from the Trust.

For further information on our trusts, please see our Funeral Plan Trusts page [www.avalonfuneralplans.com/funeral-plan-trusts](http://www.avalonfuneralplans.com/funeral-plan-trusts) or if you'd like a copy in writing, please contact our Customer Service team on **0161 486 2020**.

Avalon is a member of the Financial Services Compensation Scheme. For more information on this please see section 21.

## 11. Dual Certification

Your Standard Plan is designed to provide your funeral within mainland Great Britain and Northern Ireland.

For plan holders who have a second residence in Spain, Portugal and Cyprus we offer dual certification. This means that a plan holder who lives or spends part of their time living in two countries of Great Britain, Northern Ireland, Spain, Portugal, or Cyprus can have a funeral in either location, depending on where they die.

This option is available if you already have a home in Spain, Portugal, or Cyprus, or if you move abroad after the plan is purchased. Remember to let us know in writing about your second residence, or if you emigrate, so we can update your address and assign a new Funeral Director to conduct the funeral.

The Standard Plan does not include repatriation or transportation back into mainland Great Britain, Northern Ireland, Spain, Portugal, and Cyprus after your death. In the case of a dual residency should you wish for your funeral to take place in an alternative covered destination your Nominated Representative will need to make arrangements to repatriate your body to the chosen destination.

If you move to one of the covered European countries (Spain, Portugal, Cyprus) please contact us so that we can issue you with a Certificate with your new address and appoint a Funeral Director in that country, should death occur abroad.

If you move to a country where we don't operate outside of mainland Great Britain, Northern Ireland, Spain, Portugal, and Cyprus, or we can't find a Funeral Director in the area you've moved to, the funeral plan will not be available and we will cancel your plan and refund the monies paid, less any applicable cancellation fee.

## 12. Joint Plan

Your plan can have two named plan holders and the plan can provide the products and services on the event of either the first or second plan holder's death. This is referred to as a joint plan and will cover either party identified on the Plan Certificate for one funeral only.

There is no additional charge for a joint plan but it will only cover one funeral. If you need to cover both funerals, then two plans will be needed.

## 13. Gifted Plan

A plan can be purchased with the intention of being used for someone else and without their knowledge. The postcode and date of birth of the giftee will be required only. All communication is visible to the plan purchaser.

There may be reasons where we cannot sell a gifted plan and/or where we will need or choose to notify the plan beneficiary of its existence. In these instances, we will notify the purchaser in advance and, if the plan is active, allow them to cancel the plan in line with the cancellation terms.

## 14. Appointed Funeral Director

We have an extensive number of contracted Funeral Directors to fulfil the funeral arrangements in the future.

We will appoint a Funeral Director that we work with to your plan that is located within the area you reside unless you specify otherwise. If you move, we can appoint another Funeral Director that's closer to your new place of residence. Let us know before the time of need and this will be done free of charge.

We cannot appoint a Funeral Director to you if we do not have a contractual relationship with them.

We will notify you of your appointed Funeral Director with your Welcome Pack, or in the case of any changes, within 7 days.

If at any point in the future, for circumstances outside of Avalon's control, we no longer have a relationship with the appointed Funeral Director listed on your Plan Certificate, Avalon will offer you an alternative Funeral Director. If the alternative Funeral Director options available to Avalon do not meet with your approval, we will cancel your plan. See section 15.

## 15. Plan Cancellation

If your plan is cancelled, by us or you, then we will have no obligation to fulfil any of the terms of your plan.

In all cases if the total payments made are less than the cancellation fee, we will not request you to make any further payment to us.

Where we refer to receipt of Welcome Pack, we will deem you to have received your plan in the following circumstances:

- On the day we emailed it to you;
- On the day we handed it to you in person; or
- Five working days after we posted it to you

### 15.1 Your right to cancel

You can cancel your plan:

- Within 30 days of the receipt of your Welcome Pack with no cancellation fee

#### 15.1.2 Plans paid by instalments

You can cancel your funeral plan:

- Within 12 months of the receipt of your Welcome Pack with no cancellation fee
- After 12 months following receipt of your Welcome Pack, we will refund all monies paid into the plan, less the cancellation fee which is £395

#### 15.1.3 At time of need

At time of need, your Nominated Representative can choose to cancel the plan. If applicable as per the terms above and upon provision of required documentation, a refund of all monies paid into the plan, minus any cancellation fee would be returned in to the account from which payments were made or to the estate.

### 15.3 Our right to cancel

Avalon will not provide the products and services of your plan or provide any benefit for any enactment and will cancel your plan if:

- You are abusive to our staff or any of our service providers
- We are not able to carry out what is included in your plan due to circumstances beyond our control. Or, if we are unable to provide the funeral in your chosen location
- You miss two consecutive monthly instalments and choose not to rectify the outstanding balance within 10 working days of us requesting it
- You cancel your Direct Debit or Standing Order instruction and you choose not to recommence payments
- We reasonably suspect fraud or illegal activity
- We would be exposed to sanction, prohibition or restriction under United Nations resolutions, or under the trade/ economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America

## 15.4 Refunds

The monies paid into your plan (less the cancellation fee of £395, if applicable) will be refunded to you into the account that we hold details for within 14 working days and there is no obligation for us to fulfil your plan.

If we cannot refund the monies to the account that we hold details for we will hold the monies paid into your plan in the Trust until the point at which we can refund this to you, or at time of need pay it to your appointed Funeral Director as a contribution towards their fees or to your Nominated Representative.

## 16. Changing your Funeral Plan

You can choose to change your Avalon funeral plan for an alternative plan from the Avalon range that you feel would be more suitable for you.

### 16.1 Upgrade your plan

If you choose to upgrade from the Standard Plan you may have to make an additional payment or change the value of your monthly instalment payments to fulfil any difference in the total plan cost of the new plan. We will advise you of this cost should you decide to upgrade your plan.

#### 16.1.1 Can I upgrade my plan, add items, and/or pay over a longer period?

Your plan payment method	To make the changes
Fully paid plans	You will need to pay for the upgrade or extra items when you make the change.
Instalments of up to 12 months	You can upgrade your plan or add extra items and/or pay over a longer period. You can either pay for the upgrade or extra items by direct bank transfer, by cheque, or by debit or credit card. Or you can amend your instalments to take account of the change. If you want to pay over a longer period than 12 months, you will need to change to instalments over the term of your plan. See the 'How Do I Pay?' section.
Instalments over more than 12 months	You can upgrade your plan or add extra items, and/or pay over a longer period. You can pay for the upgrade or extra items by direct bank transfer, cheque, debit or credit card. Or by monthly instalments. See 'How do I Pay?' section.

#### 16.1.2 Can I upgrade my plan, add items, and pay over a shorter period?

Your plan payment method	To make the changes
Fully paid plans	This isn't relevant to fully paid plans – see above for upgrades.
Instalments of up to 12 months	You can upgrade your plan or add extra items and pay over a shorter period. You can repay your plan at any time within the 12 month term either by paying a lump sum or making extra ad hoc payments.
Instalments over more than 12 months	You can upgrade your plan or add extra items and pay over a shorter period. You can increase your monthly payments to reduce the payment term. This will mean that the plan will be paid in full quicker than the original term and as a result may reduce the amount of instalment charges.

### 16.2 Downgrade your plan

If you choose to downgrade from the Standard Plan you may be entitled to a refund of any surplus premiums paid compared to the current cost of the new plan. This may be dependent on your payment history.

## 16.3 Transfer your plan

It is free to transfer your plan. The plan holder may elect to transfer a fully paid Standard Plan to a third party (such as a friend or family member) including at the third party's time of need.

So that the plan can be transferred, the plan holder named on the certificate must provide written authorisation to Avalon. Following the plan transfer the new plan holder will be entitled to all of the products and services as described on the certificate. The original plan holder will relinquish all right to the funeral plan.

Whilst you are paying in instalments if you transfer to someone else they will be treated as a 'new plan holder' – so the balance you have paid will be used as a deposit towards the new plan and a new moratorium period will start for them unless they pay the balance in full.

Following the plan holder's death, the plan cannot be transferred to a new plan holder as it forms part of the plan holder's estate. Should the plan holder's Nominated Representative elect to cancel the plan following the plan holder's death all monies due (in line with the Terms and Conditions) shall be returned to the plan holder's estate, or at the time of need pay it to your appointed Funeral Director as a contribution towards their fees or to your Nominated Representative, minus the cancellation fee if applicable.

## 17. Enacting your Plan

In Great Britain or Northern Ireland: To enact the plan your Nominated Representative can contact us to notify us of your death 24 hours a day on **0161 486 4545**. Alternatively your Nominated Representative can contact the nominated Funeral Director directly on the telephone number stated on your Plan Certificate. Our team will immediately begin the process of enacting of your plan.

In Spain, Portugal and Cyprus: To enact the plan your Nominated Representative can contact us to notify us of your death 24 hours a day on **+34 966 799 070**. Our team will immediately begin the process of enacting of your plan.

To help the process go smoothly we will need your plan details and information about you to verify you have a plan with us, so please share your plan information with your Nominated Representative in advance. We will also need a copy of the death certificate as soon as reasonably possible following the death, but this won't hold up any processes with the appointed Funeral Director.

## 18. Complaints

Avalon is committed to providing a quality service and working in an open and accountable way that builds trust and respect with customers and stakeholders. One of the ways in which Avalon can continue to improve our service is by listening and responding to the views of our customers and stakeholders, and by responding positively to complaints or issues (near-misses), and by putting mistakes right wherever appropriate.

### What is a complaint?

A complaint refers to any expression of dissatisfaction where you have suffered (or may suffer) financial loss, material distress or material inconvenience from any stage of your journey conducted by Avalon or any other connected third-party.

- **Financial Loss:** Financial Loss is a term used to describe a situation where you may have suffered financially due to the actions or perceived actions taken by Avalon
- **Material Distress:** Where the actions of Avalon have materially and directly affected your emotional state
- **Material Inconvenience:** Where the actions of Avalon have had a material and direct impact to your life, causing a disproportionate amount of disruption or difficulty

A near-miss is an expression of dissatisfaction but doesn't meet the above definition of a complaint (e.g, you are dissatisfied but there's no financial loss, material distress or material inconvenience). We will deal with any near misses in the same way as a complaint, but you may not be able to refer these to the Financial Ombudsman Service (FOS).

### How to complain

If you wish to make a complaint, please contact in the following ways:

Email: [complaints@avalonfuneralplans.com](mailto:complaints@avalonfuneralplans.com)

## What happens next?

We aim to assess any complaint or near-miss fairly, consistently, and promptly to determine whether it should be upheld and, if so, what remedial action or redress may be appropriate. We will always communicate with you regularly throughout our investigation.

We will aim to deal with your complaint or near miss as quickly as possible. If we don't resolve the complaint or near-miss at the first point you contact us, we aim to formally acknowledge your complaint within 3 business days.

We will always aim to provide you with a final response within 8 weeks of receipt of your complaint or near miss, unless there are extenuating circumstances that don't allow that to happen. Our final response may be sent with our acknowledgement. In our final response we will tell you whether we uphold your complaint or near-miss, and where appropriate, offer redress or we will reject your complaint or near miss and give you the reasons for doing so.

If you are not happy with how we've dealt with your complaint and would like to take the matter further you may have the right to refer your complaint to the Financial Ombudsman Service (FOS), free of charge – but you must do so within six months of the date of our final response. If you do not refer your complaint in time, the Ombudsman will not have our permission to consider your complaint and so will only be able to do so in very limited circumstances. For example, if the Ombudsman believes that the delay was as a result of exceptional circumstances.

## 19. Nominated Representative

At the time of your plan purchase we will ask you to provide details of a Nominated Representative. We send details of your plan to your Nominated Representative within 7 days of purchase to ensure that they are aware of your funeral plan contract, its products and services and the process to follow to enact the plan at the time of death.

You may choose not to provide details of a Nominated Representative during the purchase process but may contact us at any time to add a Nominated Representative or change the details of your Nominated Representative.

If we don't hold current details of your Nominated Representative at the time of need, or due to unforeseen circumstances we are unable to contact them, we will make all reasonable endeavours to contact your legal next of kin to act as your Nominated Representative or provide details of an alternative Representative.

## 20. Plan Statement

We will send you a statement at least once every three years. This statement will include the following:

- How much you have got left to pay, if anything
- A reminder of key provisions of your plan
- A reminder of how to make changes to your plan
- A reminder of how to cancel your plan
- A reminder of the Financial Services Compensation Scheme; and
- A reminder of our contact details

If you want this information provided at any other time, please contact our Customer Service team on **0161 486 2020**.

## 21. Financial Services Compensation Scheme

In the unlikely event of failure of Avalon there will be a reasonable likelihood that your funeral plan contract will be transferred to and continue to be carried out by another regulated funeral plan provider but that could potentially generate extra costs for you.

In the event that the relevant funeral plan contract will not continue to be carried out by us or another firm then you will receive a payment corresponding to your balance, but this may not be the full amount you've paid in. Avalon is a member of the Financial Services Compensation Scheme (FSCS). Should Avalon be unable to meet its liabilities, you may be entitled to compensation from the compensation scheme.

Further information about the scheme is available on the FSCS website: [www.fscs.org.uk](http://www.fscs.org.uk)
