Information concerning potential funeral plan provider failure

In the unlikely event of failure of Avalon there will be a reasonable likelihood that your funeral plan contract will be transferred to and continue to be carried out by another regulated funeral plan provider but that could potentially incur extra costs for you.

In the event that the relevant funeral plan contract will not continue to be carried out by us or another firm then you will receive a payment corresponding to your balance, but this may not be the full amount you have paid in.
